

ATTACHMENT 3-STATUS OF GROUNDWATER MANAGEMENT PLAN

MSWD also received a planning grant in 2009 to create a Basin Management Plan for the Mission Creek and Garnet Hill Sub-basins. MSWD is the lead agency on the grant and is working in cooperation and in partnership with Desert Water Agency and Coachella Valley Water District. The plan is funded in part by a \$250,000 Grant from DWR Prop 84 funds and a contribution of \$600,000 from the planning partners. The plan is scheduled to be completed by October 15, 2012. A copy of a progress invoice is enclosed as 9c.

MSWD is the lead agency for development of the plan. An administrative draft of the plan is enclosed as Attachment 3a. The mission statement for the plan is presented in section 1.1, "The purpose of the Mission Creek and Garnet Hill Water Management Plan is to manage the water resources to reliably meet demands and protect water quality in a sustainable and cost-effective manner."

MSWD, together with other water partners, has completed the Integrated Regional Water Management Plan. The resolution is enclosed as Attachment 3b.
